# ASSOCIATION OF INDIAN UNIVERSITIES

## ANNUAL REPORT 2008

I have pleasure in presenting, the Annual Report for the year 2008 at 83<sup>rd</sup> Annual Meeting of the Association being held at the beautiful campus of North Eastern Hill University, Shillong. Details of activities of the Association during the year are reported below.

### **Research Division**

Following activities were taken up by the division during the year:

#### *Anveshan: 2008 – First Student Research Convention*

Association of Indian Universities has taken a pioneering initiative to organize student research conventions for the aspiring researchers through out the country. These conventions aim at identifying the young and rising talents who would be promoted through proper encouragement and incentives. The major objectives are to identify young talents with research aptitude and interest to take up research as career; promote the talent in research throughout the country; augment financial and physical resources through collaboration with different sponsors for supporting education and training of the young researchers; provide proper incentives to enhance the skill of potential students; and to initiate an intensive research culture in a selected group of institutions. Also an attempt shall be made to commercialize their research projects with industrial collaboration. The endeavour may accelerate scientific research and innovation and their application towards community development percolating to the grassroots level.

#### *Areas/Fields*

- Basic Sciences, Engineering & Technology, and Agriculture
- Health Sciences and Allied Subjects including Occupational Therapy, Physiotherapy, Nursing, Pharmacy, Nutrition, etc.
- Objective and result oriented projects in Social Sciences, Humanities, Commerce and Law

#### *Methodology*

Two types of projects-- Individual and group projects were invited from the students for display. The duration of the each convention was three days. The convention was held in three phases.

In the first phase, all universities in the country were requested to organize an exhibition of research projects at University level in which students from affiliated/constituent colleges, research institutions and university post graduate departments participated. The exhibited projects were scrutinized by a team of experts.

In the second phase, the exhibition was held at Zonal level for which four universities, one in each zone, was identified. The projects selected at the first phase were called for the second round of scrutiny.

Accordingly, the event was organized at the following Four Zonal Levels:

<b>Zone</b>	<b>Venue</b>	<b>Dates</b>
North Zone	Panjab University, Chandigarh	February 13-15, 2008
West Zone	Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur	March 14-16, 2008
South Zone	Jawaharlal Nehru Technological University, Hyderabad	April 2-4, 2008
East Zone	Birla Institute of Technology, Mesra, Ranchi	April 9-11, 2008
National	University of Pune, Pune	May 17-19, 2008

**National Convention:** The Association of Indian Universities called for the successful projects, selected through the zonal competition, for National Level Competition held at University of Pune, Pune, May 17-19, 2008.

In the National Convention **fifty-four** projects made their entry. Five projects were placed in the Merit list and they were given cash prizes along with Mementoes and certificates. Apart from the winning projects, seven projects were accredited. The short listed projects have been submitted to some international agencies who may offer scholarships according to their suitability. All the participants were distributed certificates of participation along with mementos.

The Convention was applauded at different levels. A Compendium of the research projects presented at the National Level is being prepared by the Division which may serve as an inspiring document for the young researchers in the country about the researches being done throughout the country.

## **International Association of Universities, (IAU)**

The Secretary General, AIU has been elected as a Deputy Member of the Administrative Board of International Association of Universities (IAU), Paris, France for the period 2008-2012.

## **Evaluation Division**

During the year recognition was accorded to the Two-year full-time Postgraduate Diploma programme in Management of National Institute of Financial Management, Faridabad (Haryana) and Welingkar Institute of Management Development, Mumbai (MS) for a period of five years as equivalent to Master of Business Administration Degree (NBA) of an Indian University.

During the year the Evaluation Division issued 870 Equivalence Certificates to Indian and foreign students, obtaining qualifications from abroad. The Division continued to provide professional assistance on the status of foreign qualifications to universities, Ministries of the Government of India, Union Public Service Commission, Indian Council for Cultural Relations, Medical Council of India and other Central/State Government agencies dealing with the nomination/selection of Indian/foreign students intending to pursue higher education in Indian Universities.

Draft replies were provided to the Ministry of Human Resource Development for questions asked by the members of Parliament concerning higher education.

Approximately 3600 Visitors were provided with information relating to equivalence of foreign degrees and on the status of courses offered by the professional institutions outside the purview of the Universities. Over 1200 enquiries received through E. Mail, 3200 on Telephone and 1629 through post were attended and replied to.

The Division also receives numerous enquiries from the nationalized Banks with regard to the status of the Indian/foreign Universities and the courses offered by them for sanction of Education Loan to the students.

### **Students Information Services Division**

The Division serves the students, academics, parents, other stakeholders and visitors to AIU House by providing them information on the status of Indian institutions of higher education, professional bodies etc. and on the courses offered by Indian universities and other institutions recognized by statutory bodies like All India Council for Technical Education, National Council for Teacher' Education and Medical Council of India.

The Division continued to update itself by screening the leading newspapers in respect of admission notifications on various courses issued by universities and other institutions from time to time in order to provide latest information to students and updating the Handbooks.

The SIS Division has revised and updated the 11<sup>th</sup> edition of 'Handbook on Engineering Education'. It was released in January, 2008. Now the division is revising and updating the 16<sup>th</sup> edition of 'Handbook on Health Science Education'

### **Library and Documentation Division**

The total number of books in the library today stands more than 20,000. Library receives around 150 periodicals, specially on higher education. This, reference and research library has over the years acquired a highly specialized collection of documents, on higher education, as a discipline by itself, as against catering to different disciplines at the level of higher education. Among the areas prominently represented are- Educational Sociology, Educational Planning, Educational Administration, Teaching and Teacher's Training, Economics of Education, Country Studies, University-Industry Interaction and Quality in Higher Education, Books on Developing fields of adult education, distance education and educational technology are well stocked. The Library is particularly strong in its collection of Reports and Documents, published by governments and non-commercial and highly specialized educational associations and organizations. The Annual Reports, Calendars, Handbooks, Acts of the different Universities and Supreme Court Judgment on Educational Matters are also available in the Library, which are regularly in demand and consulted by numbers of users.

The AIU Library and Documentations Division renders the following services to the researchers:

- Circulation Services
- Reference Services
- Selective Dissemination of Information
- Indexing Services
- Press Clipping Services
- Bibliographic Services
- Reprographic Services

The Library provides statistical and other related information and the annual index that is published in the University News. Another important aspect of documentation services rendered by the Library pertains to the Annual Index to the University News.

During the year 2008, 148 titles have been added to the AIU Library's collection. During the year the library received 150 periodicals (109 Indian and 41 foreign). Of these 37 were subscribed, 69 were received gratis and 44 received in exchange of 'University News'.

Around 2750 students and scholars (both from developed and developing countries), visited the library during the year. About 11,850 photocopies had been supplied to the scholars. 10 requests were received for Inter-Library loan and 12 were serviced during the year. Around 1200 telephonic queries were attended during the year.
