Dear Vice Chancellor/Director,

Greetings from AIU!

Hope you and the family are safe and in good health.

It's my pleasure to inform you that **Association of Indian Universities (AIU)** has embarked on a journey to bring together Academia and Industry through a collaboration with **Confederation of Indian Industries (CII)**. AIU and CII have initiated a collaboration program 100:100 under which 100 universities shall have an opportunity to work closely with 100 industry partners to promote research, capacity building, gain experience on live industry problems and movement of faculty & industry leaders between Industry and universities on short term assignment etc.

The mission of Industry-Academia collaboration is to enable higher educational institutions to collaborate with the local and worldwide Industries in identifying societal and industrial challenges and to evolve appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between industry and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs with indigenous and self reliant India.

We are arranging an online webinar on 14 July 2021 at 3.00 p.m. to share more about the program which has so many opportunities for the faculty and students.

You may join the webinar through link <https://zoom.us/j/96820563000>

Let us make most of the initiative by active participation.

With regards,

Yours sincerely,

(Pankaj Mittal)
