Dear Vice Chancellors/Directors,

Greetings from AIU!

We are glad to inform you that the partnership between **Association of Indian Universities** and **Wheebox (Global Online Talent Assessment Company)** in mapping employability skills of the students of our higher educational institutions yielded tangible results and the effort culminated into building **India Skills Report 2021**, which was unveiled in the month of December 2021, in the presence of esteemed Government and Industry dignitaries. In the current year, the partnership of AIU with Wheebox will continue.

To make the initiative move further, you are requested to facilitate the conducting of **Wheebox National Employability Test (WNET)** at your campus. The purpose of this test is to measure major competencies of the candidate's employability and outcome of the test will help your institution identify core strengths and areas of improvement that is jointly endorsed by AIU & CII.

We shall appreciate and look forward to your robust support to spread the reach of this fruitful exercise and enable its promotion in wider gamut of universities and educational institutions. The member universities/institutions are advised to register their nomination at www.wheebox.com/register and fill the details for representatives to conduct between 25th July, 2022 to 25th September, 2022.

Students can also register themselves on www.wheebox.com/west between 25th July, 2022 to 25th September, 2022.

The **WNET** transcripts, learning content and certificates of the employability test will be available at **NO COST** to the candidates and institutions.
