**Subjects : Handbook on Engineering Education – Revision of**

Dear Registrar

As you are aware, the Association of Indian Universities brings out “Universities Handbook” and other Professional Handbooks like Handbook on Management -, Engineering -, Health Sciences -, Computer Sciences - and Distance Education which contain detailed information on all the Member Universities/ Institutions.

We are in the process of revising the 12<sup>th</sup> Edition of “**Handbook on Engineering Education**”. In order to have the updated information of your University / Institution, we are sending herewith a Proforma and sample Tearsheets from the last edition for your ready reference.

We are writing to request you to kindly upgrade the information along with latest Common Entrance Test Rules within a month and circulate the same to all the Engineering Colleges affiliated to your University and University Department. Please send a list of the colleges affiliated to your University with complete postal address to enable us to send them a circular.

An early reply will be highly appreciated.

Thanking you

Yours sincerely

(Dr. Veena Bhalla)
