Sub: Inviting Proposals for Hosting various Youth Related Activities – 2019-20

Dear Vice Chancellors/Directors,

Greetings from AIU!

AIU is committed to promote the holistic development of the students by harnessing their individual strengths and unique talent. To strengthen the youth related activities in university sector in the country, Inter University National Cultural Board of India (AIU) in its 14th meeting has resolved to initiate a number of new measures, keeping in view the significant growth in higher education institutions and student enrolment numbers, and the need for diversification. The AIU invites proposals from member Universities to host following events on pilot basis for 2019-20:

S No.	Name of Event	Number of days	Level of Event
1	1 st AIU International Youth Festival (IYF)	3-5 days	International
2	1 st AIU National Moot Court (for Law students only)	2 Days	National
3	1 st AIU National Women Student Parliament	2 Days	National
4	1 st AIU National Adventure Camp	3-4 Days	National

For 1st AIU IYF, the youth cultural troupes from the invited countries would bear their travel expenses from their respective countries to the location of host Universities to and fro. As per practice, in view of the magnitude of this international event, the host University would bear all expenses towards a decent free board & lodging, local transport, hospitality and other related local conveniences to the participants.

Moot Courts are being arranged in professional academic establishments for giving practical training and guidance to the law students about the court proceedings and practices. The foremost objective of these courts is to setup a simulation of the court proceedings and give exposure to law students to the milieu of the court system. By understanding the highly coveted and proven credibility of Moot Courts for legal profession trainees, AIU is introducing 1st AIU National Moot Court competition for Law students.

To deepen and strengthen the understanding of parliamentary democracy, and support the growth and sustenance of democratic institutions, and to train our women students in higher education institutions for active participation in parliamentary democracy, it has been decided by AIU to host 1st AIU National Women Student Parliament competition in collaboration of Member Universities.

Adventure camping today has gained widespread acknowledgment as an activity, which adds most significantly to the harmonious & holistic development of young people. Keeping in view the importance and potential of adventure camps for overall personality development of the students, the AIU has resolved to organize 1st AIU National Adventure Camp in collaboration with member Universities.

The selected students will be invited to participate in 1st AIU International Youth Festival, 1st AIU National Adventure Camp, 1st AIU National Women Student Parliament (women students only) and 1st AIU National Moot Court (for Law students only). AIU would render all necessary guidance to your University for hosting and making the event a success. If your esteemed University is willing to be a founder partner to host any of the above mentioned activity, please submit the proposal in prescribed proforma on or before September 5, 2019. Any comments or suggestions would be greatly appreciated.

With regards,

Yours sincerely,

(Pankaj Mittal)
