THE ASSAM
ROYAL GLOBAL UNIVERSITY

EAST ZONE VICE CHANCELLORS' MEET 2023-24

About Association of Indian Universities (AIU)

Association of Indian Universities (AIU), is one of the premier apex higher education institutions of the Country established in 1925. It is a research-based policy advice institution to the Government of India in the field of Higher Education, Sports, and Culture. Since its inception, it has been playing a vital role in shaping Indian higher education. Most importantly, AIU is vested with the power of according equivalence to Degrees/Qualifications offered by the universities across the world with those offered in India. AIU has also been mandated by the Department of School Education, Ministry of Education, Government of India to accord equivalence to the Indian Boards for the Secondary/Senior Secondary Examination vide Gazette Notification. AIU is a think tank body with the responsibility of undertaking academic activities such as: conducting Research Studies in higher education; acting as the bureau of information on higher education; liaising with international bodies and universities for the internationalization of Indian higher education among many others. AIU conducts inter-university sports and cultural events at national and international levels. As a National Sports Promotion Organization (NSPO) it promotes sports among Member-Universities and maintains the standards in sports. Being an apex advisory institution, it constitutes an integral part of all major decision-making committees and commissions in the country. As a representative body of Indian universities, it facilitates cooperation and coordination among Indian universities and liaises between the universities and the Government (Central as well as the State Governments) and also National and International bodies of higher education in other countries in matters of common interest. Whereas all the Indian universities benefit from its contribution, at present it has a membership of about 981 universities including 16 overseas universities from other countries viz. Bhutan, UAE, Kazakhstan, Mauritius, Malaysia Nepal, as Associate Members. Some of the legends among many, who served AIU as its Presidents are Dr. Sarvepalli Radhakrishnan, Dr Zakir Hussain, Dr. Syama Prasad Mukherjee, Dr. K L Shrimali and Shri A. L Mudaliar.

About The Assam Royal Global University (RGU)

The Assam Royal Global University (RGU) is a State-Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam gazette notification on 23rd August 2013. Starting its first academic session in July 2017, The Assam Royal Global University is now offering 136 programmes and courses under its 24 schools. The university has seen remarkable growth in the last few years. As on date, we have 6500 students, 370+ faculty members, 2000 plus publications & research engagements, 800 plus recruiters and 7000 plus alumni of RGI and RGU spread across the world. The University also has its presence across 7 states of the North-east through its 19 Admission Information Centres to provide counselling and admission guidance to students of different states.

Concept Note

Integrating Bhartiya Knowledge System (BKS) with Higher Education

Integrating the rich and diverse Bhartiya Knowledge System (BKS) with higher education is a pivotal step towards fostering a holistic and inclusive learning environment. BKS, with its ancient roots and contemporary relevance, offers a wealth of wisdom encompassing fields such as Ayurveda, Yoga, Mathematics, and Philosophy. By incorporating BKS into higher education curricula, we can empower students to appreciate the interconnectedness of traditional knowledge and modern disciplines. This integration not only preserves our cultural heritage but also equips the youth with a broader perspective, promoting innovative thinking and problem-solving. Moreover, it paves the way for interdisciplinary research and collaborations that can address pressing global challenges while celebrating the timeless wisdom embedded in India's ancient traditions. In doing so, we ensure that higher education remains dynamic, inclusive, and forward-looking while preserving the profound insights of our ancestors.

The two-day event will include the following 3 Technical Sessions to discuss the concerned topics:

- Technical Session 1: Using Bhartiya Knowledge System-based Approach for Teaching-learning for Holistic Development.
- Technical Session 2: Bhartiya Knowledge System in Sustainable Development.
- Technical Session 3: Embedding Bhartiya Knowledge System for Futuristic Education.

Session Details

Technical Session 1: Using Bhartiya-based Approach for Teaching-learning for Holistic Development

Harnessing the Bhartiya Knowledge System-based approach for teaching and learning is a transformative journey towards achieving holistic development. India, with its rich heritage of ancient wisdom and philosophical traditions, offers a unique perspective on education that extends far beyond the mere acquisition of knowledge.

At its core, this approach recognizes that true learning involves not just the mind but also the heart and soul. It encompasses a diverse array of disciplines, including yoga, meditation, Ayurveda, and spiritual insights, which, when integrated into modern education, can lead to profound personal growth and holistic development. The Bhartiya Knowledge System acknowledges the interconnectedness of all knowledge, emphasizing the importance of ethics, values, and social responsibility. It encourages students to not only excel academically but also to become compassionate and socially conscious individuals. By adopting this approach, we pave the way for an education that nurtures not just the intellect but also the emotional and spiritual dimensions of human existence. It equips learners with the tools to navigate life's challenges with resilience, empathy, and a profound sense of purpose. In a world that often prioritizes material success, the Bhartiya Knowledge System reminds us that true wisdom lies in the holistic development of the self – a timeless lesson for both students and educators alike.

Technical Session 2: Bhartiya Knowledge System in Sustainable Development

The Bhartiya knowledge system offers invaluable insights and practices that can contribute significantly to sustainable development in today's world. Rooted in millennia-old wisdom, this system has always emphasized the interconnectedness of all life forms and the importance of living in harmony with nature. For example, Ayurveda, the ancient Bhartiya system of medicine, focuses on maintaining and restoring balance in the body and mind. By emphasizing preventive healthcare, a holistic approach to well-being, and the use of natural remedies, Ayurveda encourages sustainable health practices. Yoga fosters mindfulness, reduces stress, and encourages conscious living. This mindfulness extends to our relationship with the environment, fostering a greater sense of responsibility towards sustainable practices and ecological preservation.

Technical Session 3: Embedding Bhartiya Knowledge System for Futuristic Education

Embedding the Bhartiya Knowledge System into futuristic education is a visionary step towards equipping the next generation with holistic, adaptable, and culturally rich learning experiences. India's ancient wisdom, encompassing philosophy, science, and spirituality, offers profound insights that resonate with the demands of the rapidly evolving world. The Bhartiya knowledge system emphasizes holistic development, nurturing not only intellectual growth but also emotional, moral, and physical well-being. This approach addresses the pressing need for students to develop emotional intelligence, resilience, and a sense of purpose alongside academic excellence. India's diverse cultural heritage, including its art, music, literature, and philosophy, can be woven into the curriculum to foster cultural appreciation and global awareness. This not only enhances cultural literacy but also encourages creativity and critical thinking.

ASSOCIATION OF INDIAN UNIVERSITIES

EAST ZONE VICE CHANCELLORS' MEET 2023-24

PROGRAMME SCHEDULE

NOVEMBER 20, 2023	
TIME	SESSION
ARRIVAL OF THE DELEGATES

ASSOCIATION OF INDIAN UNIVERSITIES EAST ZONE VICE CHANCELLORS' MEET 2023-24

DAY 1 | 21 November, 2023 | 10.05 AM - 11.30 AM | D' Royal Auditorio, Block A

INAUGURAL SESSION

Dr. Ranoj Pegu, Hon'ble Minister of Education, Govt. of Assam

Shri Ranoj Pegu is Hon'ble Minister of Education, Welfare of Plain tribes Backward Classes. A seasoned Indian Politician and a Member of the Legislative Assembly of Assam from Dhemaji. Dr. Pegu's contribution to the development of Assam is commendable. A Medical Practitioner by Profession, Dr. Pegu joined politics at a very young age and became one of the most popular leaders in Assam. His enormous abilities have carved a niche for him in politics and enabled him to achieve important portfolios.

Shri Jayanta Malla Baruah, Hon'ble Minister Skill Development Employment & Entrepreneurship etc, Govt of Assam

Shri. Jayanta Malla Baruah currently the Cabinet Minister in the Government of Assam and holds the portfolio of Public Health Engineering, Skill, Employment & Entrepreneurship and Tourism. Prior to this he was the Political Secretary to the Chief Minister of Assam. In 2017, he was appointed the Chairman of the Assam Tourism Development Corporation. During his tenure as Chairman of ATDC he drew attention by holding the Filmfare award show in Assam, the first time that the show was held outside Mumbai in its 65-year history.

Prof. (Dr.) Nani Gopal Mahanta, Education Adviser, Govt of Assam

Prof. Nani Gopal Mahanta is currently the Education Adviser to the Govt of Assam. Prof. Mahanta is also the Head of the Department of Political Science and Director, Global Studies Centre, at Gauhati University. Formerly he was the Coordinator, Peace and Conflict Studies, a UGC Innovative project from 2004-2009 at the Gauhati University. His research interest includes issues of Peace and Conflict Resolution, Human Development and Security, Insurgency, Ethnicity and Identity Politics. He was selected as the Rotary World Peace Fellow at the University of California, Berkeley from 2002-2004. As a World Peace fellow, he travelled to various parts of the world including Europe and South Asia for his internship and empirical work. Prof Mahanta was a visiting fellow to International Peace Research Institute (PRIO), Norway, Oslo. He is also the president of North East India Political Science Association (NEIPSA).

Shri Atul Kothari, National Secretary, Shiksha Sanskriti Utthan Nyas

Shri Atul Kothari is the Secretary, Shiksha Sanskriti Utthan Nyas. He is one of the founders of 'Shiksha Bachao Andolan Samiti' and the Founder Joint Secretary of 'Shiksha Sanskriti Utthan Nyas'. He was the National General Secretary and National Joint Organising Secretary of 'Akhil Bharatiya Vidyarthi Parishad' (ABVP). Shri Kothari authored several books and articles, the prominent ones include Bharatiya Shiksha: Rashtriya Sankalpana; Shiksha ki Swayattata; Uchch Shiksha: Bharatiya Drishti. He organised more than 3000 workshops and Seminars across the country on character building and holistic development. He is a recipient of the citation of honour by Sahitya Mandal for his distinctive contribution. He founded Bharatiya Bhasha Manch and Bharatiya Bhasha Abhiyan for the promotion of Indian languages. A great thinker and orator Shri Kothari addressed the World Assembly of Religions in the US in 2015.

Dr. Ashok Kumar Pansari, Chancellor, The Assam Royal Global University

Dr. Ashok Kumar Pansari is the Founder and Chancellor of The Assam Royal Global University. A great Social Worker and Edupreneur Dr Pansari realized his vision to set up an educational institute that would give the North-East a world-class opportunity to curb the exodus of students by setting up The Royal Group of Institutions, Royal Global School, and Delhi Public School in Assam. He is a TED speaker and author of the titles Baaton Baaton Mein, Baatein Santon va Granthon ki which were translated into other languages. He also established a media house named Purvoday Publications Private Ltd. at Guwahati which publishes Hindi Daily, "Dainik Purvoday". As a service to Society, he completed projects like Pradhan Mantri Awaas Yojana and initiated services like Royal Anna Seva, Swasthya Seva and Vastra Seva for the welfare of the disadvantaged.

Prof. (Dr.) G D Sharma

President AIU & Vice Chancellor, University of Science and Technology Meghalaya

Prof G D Sharma is the President of the Association of Indian Universities (AIU), New Delhi, and Vice Chancellor, of the University of Science and Technology Meghalaya. A very acclaimed Academic of the Country, Prof Sharma held many important positions apart from being Vice Chancellor at the University of Nagaland, Assam University, and Bilaspur University. He is a Fellow of Royal Society, London, UK & INSA, India under an exchange programme. He is conferred with Dr. Narsimhan Medal Award by Indian Phytopathol. Society, Rashtriya Ratna Award by International Study Center, DEED Award by Confederation of Indian Universities, Birbal Sahni Award by Indian Botanical Society, Education Excellency Award by CCLP Worldwide, Vidya Ratan National Samman by All India Higher Research Sanskrit, Raibareli, Outstanding Educational Contribution Award by CMAI, New Delhi.

TECHNICAL SESSION - II

Prof. (Dr.) Ganti Murthy

National Coordinator IKS Division, MoE, Government of India

Prof. Ganti Maruthy is the National Coordinator, IKS Division, MoE, Government of India. He is also a Professor in the Discipline of Bioscience and Biomedical Engineering at IIT-Indore. Earlier, he was a tenured full professor at the Biological and Ecological Engineering Department at Oregon State University, Corvallis, Oregon, USA. He is the co-founder of GRW Engineering LLC, a resource recovery company focusing on recovering fertilizers, metals and organics from landfill leachate. A doctorate from the University of Illinois Dr. Murthy has around 52 Papers to his credit. His research is broadly focused on sustainable bioprocessing and systems analysis. His immense knowledge and keen interest towards Bharatiya Knowledge Systems enabled him to take up the task of coordinating IKS at AICTE.

Prof. (Dr.) Susanta K. Chakraborty

Vice Chancellor, Vidyasagar University, West Bengal

Prof. Susanta Kumar Chakraborty is the Vice Chancellor of Vidyasagar University, Midnapur. Earlier, he served Midnapur University in various positions including Professor of Zoology and Dean of Sciences. An expert in the field of Marine Sciences, Ecology and Environment, Prof Chakraborty visited several countries such as Australia, the U.S.A., Hong Kong, Belgium, France, and Bangladesh and achieved two International Patents, one from the Australian Government and the other from the German Government. A recipient of several awards and Honours Prof Chakraborty is an Advisor in the realm of Higher Education, Coastal Zone Management and Mangrove Restoration programs, and Environmental Monitoring and Management.

Prof. (Dr.) Manabendra Dutta Choudhury, Dean,

Department of Life Science and Bioinformatics, Assam University, Assam

Professor, Department of Life Science and Bioinformatics, Assam University, Silchar. His area of interest includes Medicinal Plant Research and computer-aided drug Design. Prof Dutta Choudhury has been conferred with the Indo-Hungarian Fellowship Award Jointly by the Government of India and the Government of Hungary; UGC-TEC Fellowship Award National Scholarship Programme, Slovak Republic; Post Doc Fellowship Award Jointly by the Government of India and Govt. of Mauritius; Commonwealth Fellowship Award by the Commonwealth Commission. He had been the Coordinator, of the Bioinformatics Centre, Assam University, Coordinator, of the Assam University Biotech Hub at DBT. Govt. of India, and Coordinator, UGC-SAP, University Grants Commission. He has to his credit several publications and projects.

Dr. Ritendra Ram Sharma

Director, Centre for Indic Studies, Indus University, Ahmedabad

Prof. Sharma is the Director at the Centre for Indic Studies, Indus University, Ahmedabad where he has set up various channels for the dissemination of Indic ideas. He has designed and taught courses on Indian knowledge Systems, Indian Language Systems and Indian Philosophy. Prof. Sharma has been engaged in working with various facets of Indic issues and studies. He is credited with having started the trend of recording Talks on Indic issues while working as the Secretary of India Inspires Foundation. At CIS he is responsible for channelizing ideas and providing the creative direction for achieving the goals of the Centre.
