About AIU:

Association of Indian Universities (AIU) is an apex inters university representative body of universities and other higher education institutions in the country. Established in 1925 as the Inter University Board (IUB) of India, it acquired its legal status as a registered society in 1967 under the Societies Registration Act 1860 and was rechristened as Association of Indian Universities (AIU) in 1973. AIU is the second oldest university association in the world next to the Association of Commonwealth Universities which was established in 1913. It has the distinct feature of having the largest network of universities and other HEIs under its ambit with 1002 members in India Including 16 foreign universities who are the associated members. The membership of AIU includes all types of universities e.g., Conventional Universities, Open Universities, Deemed to be Universities, State Universities, Central Universities, Private Universities and Institutes of National Importance. In addition to Indian Universities, Universities/Institutes from Bangladesh, Bhutan, Republic of Kazakhstan, Malaysia, Mauritius, Nepal, Thailand, United Arab Emirates and United Kingdom are its Associate Members. Since its inception AIU has played a very significant role in the development of Higher Education in the Country. Some of the eminent scholars and visionary leaders like Dr. SarvepalliRadhakrishnan, Dr. Shyama Prasad Mukherjee, Dr. ZakirHussain, Sir A. L. Mudaliar have given leadership to AIU. During such a long journey, AIU has carved a niche for itself by serving the Ministry of Education, Govt of India as a research-based policy advisory body. Being an apex institution, it constitutes an integral part of all major decision-making committees and commissions in the country. As an academic 'think tank' organization, AIU supports the Government as researchbased policy advisory body with the wider mandate of taking up research projects on higher education policy, capacity building. It also acts as a bureau of information on higher education; liaise with international bodies and universities for internationalization of Indian higher education among many others .The Vision of AIU is to emerge as a dynamic service and apex advisory organization in India by undertaking such initiatives and programmes which could strengthen and popularize Indian higher education as leading-edge system in the world and promote greater national and international collaboration in Higher Education, Research, Extension, Sports, Youth and Cultural Activities.t is bestowed with the mission of promoting and representing the Indian Universities and other higher education institutions through strong liaison with the government and National/International organizations, sister associations world over and establish liaison between/among universities through active support, cooperation and coordination among the member universities and all its stakeholders for quality education, research and other academics and extension activities

About Desh Bhagat University

Desh Bhagat University (DBU), located in Mandi Gobindgarh, was established under the Punjab Government's Desh Bhagat University Act. The university is named after freedom fighter Sr. Lal Singh Ji, who was honored with the "Tamra Patra" by the Government of India in 1972 for his contributions to the freedom struggle. DBU is a NAAC A+ Accredited University with a student strength of over 10,000 from across India and 20 + countries. The campus is digitally transformed to align with the outcomes of the New Education Policy. It is a multidisciplinary, student-centric, industry-driven, and research-focused institution offering programs at the diploma, undergraduate, postgraduate, and doctoral levels across various fields, including Engineering, Management, Hotel Management, Hospitality and Tourism, Computer Sciences, Ayurveda, Nursing, Education, Commerce, Airlines, Law, Agriculture Sciences, Languages, Social Sciences, Applied Sciences, Pharmacy, Dental Sciences, and Paramedical Science. DBU has integrated several advanced educational tools and platforms, such as NPTEL, IIT Bombay Spoken Tutorial, Virtual Labs, Internshala, INFLIBNET, Saylor's Academy of the USA, and Coursera. These collaborations provide free online education, international certifications, and opportunities for students to study abroad through Pathway/Twinning Programs.

DBU has established a 24/7 Robotics & Automation Lab, several Centers of Excellence, and numerous industry collaborations. The recently established Electric Vehicle Center of Excellence and the IIC cell foster research, development, and entrepreneurship among students. DBU also has a Technology Business Incubator (DB Business Foundation) to support young entrepreneurs with seed funding and mentoring.

About AADC
