

Dear Colleagues / Friends,

It gives us immense pleasure to invite you to the workshop on “**Navigating the world of academic publishing: Master the art of publishing in high-impact journals**” to be conducted from 20th January 2025 to 24th January 2025 being organized by KAHER’s Association of Indian Universities – Academic and Administrative Development Centre (AIU-AADC).

Publishing in high-impact journals is a significant milestone in academic research, offering global recognition and advancing your career. To succeed, choose a journal that aligns with your research scope and has a reputation for publishing high-quality studies. Given the need for publications that support career advancement, it's equally important to understand the research publication process, including the ethics of publishing and the review process. With the rise of predatory and cloned journal websites, it's crucial to carefully select reputable journals to avoid these pitfalls. Additionally, staying informed about emerging trends in your field, networking with colleagues, and gaining knowledge about the application of technology and artificial intelligence in scientific publishing are essential. Publishing in high-impact journals requires persistence, a commitment to excellence, and consistent effort, ultimately leading to professional recognition and academic influence.

Hence, this much-needed workshop is our effort to empower and equip the faculty with essential skills in the area of research publication. It also provides a platform for faculty to interact and learn from experts in the field.

Prof.(Dr) Nitin M Gangane Hon. Vice-Chancellor, KAHER, Belagavi.	Dr. M S Ganachari Registrar, KAHER, Belagavi.
Dr. Sunita Y Patil Director, UDEHP & Nodal Officer, AIU-AADC, KAHER, Belagavi	Dr. Anupama M. G. Program Coordinator AIU-AADC, KAHER,Belagavi
