Development Centre (AIU-SU-AADC)**

REPORT

The Faculty Development Program (FDP) on “Integrating Indian Knowledge Systems (IKS) in Modern Education: A NEP-2020 Perspective” was organized to explore the relevance and application of Indian Knowledge Systems within the framework of the National Education Policy (NEP) 2020. The program featured a series of insightful sessions delivered by eminent scholars, academicians, and experts in various fields of Indian knowledge and culture.

This FDP is aimed to bridge the gap between Ancient traditional knowledge and modern educational practices, promoting a holistic and interdisciplinary approach to education and reconnect it with its cultural roots and historical wisdom,

Program Highlights:

- The FDP witnessed enthusiastic participation **more than 50** academicians and researchers from various places.

In this FDP 10 interactive and enriching sessions were conducted, led by distinguished resource persons, from various disciplines, including management, humanities, medical sciences, and science and technology. These experts shed light on the vital role of ancient Indian knowledge and traditions in shaping modern technological advancements and fostering innovative learning approaches. Each Day Two Sessions were conducted.

Inaugural Session [December 16, 2024]

- **Time:** 11:00 AM - 12:30 PM
- **Chief Guest:** Prof. B.P. Sharma, Chairman, UNESCO - MGIEP; Group President, Pacific University, Udaipur, Rajasthan

The program commenced with a warm welcome to all dignitaries and participants. The inaugural session began with a traditional lamp-lighting ceremony and a Saraswati Vandana, symbolizing the rich heritage of Indian knowledge systems.

The inaugural session set the tone for the FDP with **Prof. B.P. Sharma** keynote address on **“Bhartiya Gyan Parampara: Ek Sihavalokan”**, emphasizing the rich legacy of Indian knowledge traditions and their potential integration into modern education. He highlighted key principles from the Vedas, Upanishads, and other ancient texts as foundational elements for holistic learning. He emphasized that references to past and future inventions can be found in Indian texts, illustrating the depth of India’s intellectual tradition. He elaborated on the knowledge embodied in the Vedas and other scriptures, highlighting their comprehensive scope across various disciplines.

Guest of Honor **Professor Anil Kothari**, Principal of Guru Nanak Girls P.G. College, Udaipur, highlighted the enduring influence of Indian knowledge traditions such as yoga, Ayurveda, astronomy, and mathematics. He noted that these traditions were pivotal in ancient times and continue to offer valuable insights for advancing modern science and technology. “This program is a significant step towards integrating these timeless traditions into the modern education system,” he stated. **Ms Ranjana Parihar**, Joint Secretary of AIU, acknowledged the efforts of Sangam University for organizing this meaningful program. She commended the initiative, expressing confidence that it would mark a transformative milestone in the field of education.
