

Dear Colleagues / Friends,

It gives us immense pleasure to invite you to the workshop on “**Path to successful Rankings: Demystifying the processes and protocols for rankings in HEIs,**” which will be held from **26th to 30th May 2025**, organized by the Association of Indian Universities, KAHER-Academic and Administrative Development Centre (AIU-KAHER AADC).

This workshop is designed to help academic leaders, administrators, and faculty members understand the significance of institutional rankings and the strategies needed to improve them. It will offer insights into the importance of rankings in Higher Education Institutions (HEIs), explore key national and international ranking frameworks, and focus on actionable strategies for institutional performance enhancement. Topics include ranking frameworks, documentation, peer perception, publication metrics, academic and administrative audits, and the use of technology and AI in data management. The workshop will also emphasize the relevance of the Sustainable Development Goals in global rankings.

This workshop offers a unique opportunity for participants nationwide to engage with esteemed national and international experts, promoting learning and collaboration. We encourage you to invite your faculty and colleagues to seize this valuable chance for professional and institutional growth. Together, we look forward to an enriching and impactful program that will provide valuable insights and foster meaningful connections.
