

Dear Colleagues / Friends,

It gives us immense pleasure to invite you to the workshop on “**Leadership & Institutional Development**” which will be held from **27th to 31st October 2025**, organized by the Association of Indian Universities, KAHER-Academic and Administrative Development Centre (AIU-KAHER AADC).

The workshop is designed to strengthen leadership competencies and institutional growth in Health Professions Education (HPE). Sessions will explore the definition of leadership in the context of HPE, leadership styles, self-assessment, and the distinction between leadership and management in education. Emotional intelligence, communication skills, conflict management, and strategies for organizational change will also be emphasized. Participants will engage with topics such as leadership roles and responsibilities, mentorship, team building, collaborative leadership, decision-making, and prioritization. The program further highlights academic and transformative leadership, vision building, the role of clinical educators, and inter-professional leadership in HPE. Values, professionalism, ethical challenges, and the importance of equity, diversity, and inclusion in leadership will also be addressed.

This workshop provides a unique platform for faculty across the country to engage with distinguished national and international experts, fostering rich learning and collaboration. We warmly welcome your participation in this enriching program and also encourage you to nominate your faculty and colleagues to benefit from this valuable opportunity for professional development and institutional advancement.

Prof. (Dr) Nitin M Gangane Honorable Vice-Chancellor, KAHER, Belagavi.	Dr. M S. Ganachari Registrar, KAHER, Belagavi.
Dr. Sunita Y Patil Director, UDEHP & Nodal Officer, AIU-KAHER AADC, Belagavi	Dr. Anupama M. G. Program Coordinator AIU- KAHER AADC, Belagavi

Workshop on,
“**Leadership & Institutional Development**”
27th to 31st October 2025

Objectives:

1. To enhance understanding of leadership in the context of Health Professions Education (HPE) by exploring definitions, leadership styles, and the distinction between leadership and management.
2. To develop personal and professional leadership competencies through self-assessment, emotional intelligence, effective communication, conflict management, and decision-making skills.
3. To strengthen Institutional development capacities by focusing on change management strategies, resource utilization, mentorship, team building, and collaborative leadership.
4. To promote academic and transformative leadership by fostering vision, innovation, inter-professional collaboration, and the evolving role of clinical educators as leaders.
5. To instill values, ethics, and inclusivity in leadership by addressing professionalism, ethical challenges, and the integration of equity, diversity, and inclusion in educational leadership roles.
