Sir,

The Association of Indian Universities (AIU) has been at the forefront of promoting competitive sports in higher education for several decades. AIU's sports programmes serve as a vital nursery for India's emerging sporting talent, with numerous university-level athletes progressing to represent the nation at Asian Games, Commonwealth Games, World Championships, and even the Olympics. Ensuring the integrity, fairness, and professional conduct of these tournaments/championships is central to strengthening India's pipeline of future international medalists.

In line with this mission, AIU is committed to conducting **transparent, credible, and technically robust** Zonal, Inter-Zonal, and All India Inter University Championships. In order to ensure clean and ethical conduct of AIU's sports tournaments/ championships, it has been decided to engage NADA.

In this regard, you are requested to kindly deploy a team from NADA to conduct anti-doping testing in tournaments/championship wherever required. The host university will be providing accommodation to the deployed NADA officials and all the necessary support. Engagement of NADA has also been communicated to all the host universities.

Please find attached AIU's sports calendar for the month of **December, 2025**. A line of confirmation to the host university under intimation to the undersigned will be appreciated so that the host university can make the necessary arrangements.

With regards,

Yours sincerely,

(Dr. Mamta Rani Agarwal)
