**Subject: Invitation to Participate in One-Day International Seminar on Student Welfare.**

Dear Vice Chancellor/Director

Greetings from the Association of Indian Universities!

As you know that in the evolving landscape of higher education, Student Welfare has become a central concern for modern higher education systems across the world today. Universities are no longer viewed solely as institutions for academic instruction; they are also responsible for supporting the overall development and well-being of students. Effective student welfare systems contribute significantly to academic success, personal growth, and the creation of inclusive and supportive learning environments.

In order to develop a better understanding about the student welfare and the contemporary requirements and sensitize the Deans and Directors of Student Welfare of Higher Education Institutions, Manav Rachna International Institute of Research and Studies (MRIIRS) has scheduled a One-Day International Seminar on *“Bridging Borders in Student Welfare: Sharing Best Practices for Student Engagement, Well-being, and Holistic Development”*, on **April 18, 2026**. The Workshop is being organized in Collaboration with the **Association of Indian Universities (AIU)** and **International Association of Student Affairs and Services (IASAS)**.

This pioneering initiative aims to serve as a platform for the Deans, Directors, and key members of Student Welfare, Affairs, and Services from universities and colleges worldwide. It serves as a vibrant platform to exchange best practices, cultivate collaboration, and advance student-centered development in higher education. Through engaging sessions, expert-led discussions, and collective deliberations, the event will tackle emerging challenges and evolving responsibilities in global student welfare frameworks.

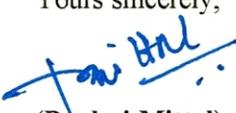

With a focus on enhancing student well-being, promoting inclusive campus ecosystems, and aligning welfare initiatives with national priorities such as NEP 2020 and SDG goals, the seminar seeks to generate impactful outcomes for institutions and student communities. This resonates with AIU's commitment to fostering academic synergy, policy innovation, and holistic growth in India's higher education landscape. As the patron of this distinct initiative, AIU encourage your institution to nominate Deans of Student Welfare, Student Welfare Officers, Experts in Youth Development, Counselling, and Student Engagement to join this seminar and contribute to meaningful cross-institutional insights and networks.

For registration or queries, contact Mr. Libin Babu, Joint Organising Secretary, at [libin.babu@mriu.edu.in](mailto:libin.babu@mriu.edu.in) and mobile number +91984818518.

We anticipate your active involvement in this transformative event.

With warm regards,

Yours sincerely,

  
(Pankaj Mittal)
