## Nitte Deemed to be University

Nitte DU traces its origins to the Nitte Education Trust, established in 1979 by the late Hon'ble Justice K. S. Hedge, a former Supreme Court Judge and Speaker of the Lok Sabha. Founded with the mission of empowering youth through quality education and healthcare, the Trust manages 44 institutions across its campuses in Nitte, Mangaluru, and Bengaluru. The University offers over 160+ programs across various disciplines. It has a student strength of 27,000, supported by over 5500+ faculty members and a strong alumni base of about one lakh.

## Nitte Institute of Professional Education

Nitte Institute of Professional Education (NIPE) reflects Nitte (Deemed to be University)'s ongoing dedication to empowering youth through education. The programs at NIPE, i.e., BCA, BBA and PhD in Business Administration, are specifically designed to equip students with the skills needed to meet industry expectations right from the start of their academic journey.

## Nitte University Centre for Science Education and Research

Nitte University Centre for Science Education and Research is an independent teaching cum research facility under Nitte (Deemed to be University). The Centre offers niche courses that have great potential for employment in research. The courses are highly interdisciplinary, application oriented, skill based and provide a perfect platform for those aspiring to take up a career in advanced research and development.

## STUDIUM
