# विद्यारोत्सव <sup>2026</sup>

Transforming Ideas into Enterprises

**FACULTY DEVELOPMENT PROGRAM**

on Innovation, Startups & IPR Strategy

4th May 2026 to 8<sup>th</sup> May 2026

## **ABOUT P P SAVANI UNIVERSITY**

At P P Savani University (PPSU), the Faculty Development Program (FDP) serves as a vital catalyst for academic evolution, translating the university's progressive vision into classroom excellence. By aligning with PPSU's core pillars of innovation and entrepreneurship, these programs empower educators to transition from traditional teachers to industry-aligned mentors.

Through targeted training in cutting edge research, digital transformation, and pedagogical shifts, PPSU ensures its faculty are not just subject experts but leaders in the modern educational landscape. This commitment to continuous professional growth ensures that as PPSU grows, its educators remain at the forefront of global standards, directly fostering the next generation of social contributors and innovators.

### **Mission and Vision**

To provide a transformative learning environment through industry-aligned curricula, cutting edge infrastructure, and comprehensive faculty development. By bridging the gap between academia and the professional world, P P Savani University strives to cultivate an entrepreneurial spirit and a commitment to lifelong learning, ensuring students and faculty contribute meaningfully to the advancement of society.

This FDP aims to empower educators at P P Savani University by equipping them with cutting edge pedagogical tools, advanced innovation methodologies, and entrepreneurial frameworks. It is designed to foster a vibrant ecosystem of innovation where faculty evolve into industry-aligned mentors and active leaders within the startup landscape. By bridging the gap between traditional teaching and real world application, the program ensures collaborative growth, enabling both educators and students to seamlessly translate academic excellence into impactful, socially responsible ventures.
