Established in 1880, St Aloysius Institution has a rich legacy of over 145 years of academic excellence and is managed by the Society of Jesus, a global educational network spanning more than 105 countries. The institution offers a wide range of programmes from Certificate to Doctoral levels across Humanities, Sciences, Commerce, Management, Computer Applications, Education, and other professional disciplines. It was granted Autonomous Status by the UGC and the Government of Karnataka in 2007 and has consistently excelled in academics and research. The institution is accredited with an A++ Grade by NAAC (CGPA 3.67/4 in the IV Cycle) and was ranked 80th in India in the NIRF 2023 rankings. It has also been recognised as an Institution with Potential for Excellence by the UGC and awarded Star Status by the Department of Biotechnology, Government of India. With over 7,000 students, the institution is known for its commitment to innovation, holistic education, and research. In January 2024, it was conferred the prestigious status of a Deemed to be University, marking a significant milestone in its pursuit of academic excellence.
