5 Days Online Faculty Development Programme
on

Technology-Enabled Teaching Learning & Digital Pedagogy

Organized by:

Association of Indian Universities (AIU) –
Gyanmanjari Innovative University (GMIU), Bhavnagar -
Academic and Administrative Development
Centre (AADC)

September 21 - 25, 2026

ABOUT ASSOCIATION OF INDIAN UNIVERSITIES (AIU)

The Association of Indian Universities (AIU) is an apex Inter-university organization and representative body of universities and other higher education institutions in India, established under the Society Registration Act, 1860. AIU is committed to the development and enhancement of academic and administrative skills in its member universities. Therefore, AIU has taken a significant step towards enhancing the quality of education by opening Academic and Administrative Development Centres (AADCs) in member universities across India. These centres are focused on faculty training and provide their services for training faculty members and administrative functionaries of the member universities.

ABOUT ACADEMIC & ADMINISTRATIVE DEVELOPMENT CENTRE (AADC):

AIU has established AIU Academic and Administrative Development Centre in 10 different Universities. The aim of establishing these Centres is to organize short-term professional development programmes for the faculty members and training programmes for the administrative functionaries of the member universities, especially on the use of technology and adopting blended learning methods of teaching. AIU-AADC will offer short-term programmes of varying duration aimed at continuous capacity building of the key stakeholders through online and in-person modes.

OBJECTIVES OF AADC:

Provide Continuous knowledge and skill acquisition and enhancement for faculty to contribute effectively to the changing landscape of higher education.

Train administrative staff in higher education institutions with appropriate skills to adapt to emerging information technologies.

Introduce research scholars to the principles of academic integrity and professional ethics.

Prepare library professionals and other technical staff in HEIs to contribute to knowledge cum learning and research resources as per the global demands and the local needs.

ABOUT GYANMANJARI INNOVATIVE UNIVERSITY :

Gyanmanjari Innovative University (GMIU) is a premier private university located in Bhavnagar, Gujarat, established in 2023. With the motto "Empowering Minds. Shaping The Future.", the university is committed to delivering excellence in education. GMIU is renowned for its unique 'Proficient Learning Method (PLM)', which emphasizes skill-based, case-study-driven, and practical learning over rote memorization. The university offers a wide range of programs from Diploma to Ph.D. across various disciplines, including Engineering, Pharmacy, Science, Commerce, Management, Law, Arts, and Design. Equipped with AI-enabled infrastructure and 65+ advanced laboratories, more than 3,000 students are currently shaping their futures under the guidance of 300+ expert faculties. Beyond an excellent academic environment, the university strongly promotes industry-aligned training, research and innovation, international relations, and startups. GMIU's robust placement record ensures outstanding employment opportunities for its students. Gyanmanjari does not just award degrees; it builds capable youth ready to compete on a global scale.

ABOUT THE 5 DAYS' ONLINE FACULTY DEVELOPMENT PROGRAMME:

Join us for an immersive 5-Day Faculty Development Program (FDP) on "Technology-Enabled Teaching Learning & Digital Pedagogy," meticulously designed to empower educators for the 21st-century classroom. In today's rapidly evolving educational landscape, seamlessly integrating technology is essential to foster meaningful student engagement and improve overall learning outcomes. This comprehensive 5-day program will equip faculties with innovative digital tools, modern e-learning strategies, and interactive pedagogical frameworks. Participants will gain hands-on experience with concepts such as blended learning, the flipped classroom model, AI-assisted teaching, and effective digital assessment techniques. By bridging the gap between traditional teaching methods and modern technological advancements, this FDP aims to transform educators into proficient digital facilitators. Ultimately, attendees will leave with the confidence and practical skills required to design dynamic, technology-driven learning experiences that inspire students and elevate the academic standards of the institution.

OBJECTIVES OF THE FDP:

To familiarize educators with educational software, Learning Management Systems (LMS), and AI-assisted tools, enabling them to seamlessly integrate these technologies into their daily teaching practices.

To develop innovative and interactive teaching methodologies that maximize student participation and engagement in both physical and virtual classrooms.

To train faculty in designing high-quality, subject-specific e-content (such as videos, interactive presentations, and e-notes) and implementing transparent evaluation techniques using digital assessment platforms.

To empower educators to practically implement modern pedagogical frameworks, such as 'Blended Learning' and the 'Flipped Classroom,' by effectively bridging traditional teaching with digital approaches.

LEARNING OUTCOMES:

By the end of the programme, participants will be able to:

Utilize modern Learning Management Systems (LMS) and AI-assisted educational tools to streamline teaching workflows and enhance content delivery.

Design interactive and dynamic digital learning experiences that promote active student participation in both virtual and physical classrooms.

Create and publish high-quality, subject-specific e-content, including instructional videos, multimedia presentations, and digital study materials.

Conduct effective online assessments, quizzes, and peer evaluations using digital platforms to provide transparent and timely feedback.

A FIVE-DAY JOURNEY: Technology-Enabled Teaching Learning & Digital Pedagogy

Day - 1 - Session - 1

Topic:- Future of Higher Education and Digital Transformation

Date:- 21/09/2026

Time:- 2:00 PM - 3:30 PM

Expert Name:- Dr. Chirag Vyas

Designation :- Director (Management, Commerce, Liberal Studies)

University :- Gyanmajari Innovative University

Day - 1 - Session - 2

Topic:- NEP 2020 and Technology Integration

Date:- 21/09/2026

Time:- 4:00 PM - 5:30 PM

Expert Name:- Prof (Dr.) Vilas Vasantrao Kulkarni

Designation :- Professor

University :- Sardar Patel University

Day - 2 - Session - 1

Topic:- Blended Learning and Flipped Classroom

Date:- 22/09/2026

Time:- 2:00 PM - 3:30 PM

Expert Name:- Prof. (Dr.) Mamta Brahmbhatt

Designation :- Professor

University :- Gujarat Univeristy

Day - 2 - Session - 2

Topic:- Active Learning Strategies Using Technology

Date:- 22/09/2026

Time:- 4:00 PM - 5:30 PM

Expert Name:- Dr. Anupama Chirag Dave

Designation :- Associate professor and Program Chair BBA

University :- Navrachana University

Day - 3 - Session - 1

Topic:- AI Tools for Teaching and Lesson Planning

Date:- 23/09/2026

Time:- 2:00 PM - 3:30 PM

Expert Name:- Dr. Dhaval Mehta

Designation :- Head of Computer Science & Engineering Programs

University :- Navrachana University

Day - 3 - Session - 2

Topic:- LMS (Moodle, Google Classroom, Canvas) Applications

Date:- 23/09/2026

Time:- 4:00 PM - 5:30 PM

Expert Name:- Dr. Dhaval Mehta

Designation :- Head of Computer Science & Engineering Programs

University :- Navrachana University

Day - 4 - Session - 1

Topic:- Virtual Labs, Simulations and Digital Learning Platforms

Date:- 24/09/2026

Time:- 2:00 PM - 3:30 PM

Expert Name:- Dr. Pramod Modi

Designation :- Associate Professor

University :- The M S University of Baroda

Day - 4 - Session - 2

Topic:- Learning Analytics for Academic Improvement

Date:- 24/09/2026

Time:- 4:00 PM - 5:30 PM

Expert Name:- Dr. Sameer Rohadia

Designation :- Business Intelligence Developer

Company :- Hanover Re, Germany

Day - 5 - Session - 1

Topic:- Designing Technology-Integrated Courses

Date:- 25/09/2026

Time:- 2:00 PM - 3:30 PM

Expert Name:- Prof. Nilam Panchal

Designation :- Professor

University :- Gujarat University

Day - 5 - Session - 2

Topic:- Presentation of Course Redesign Projects

Date:- 25/09/2026

Time:- 4:00 PM - 5:30 PM

Expert Name:- Dr. Shriya Tripathi

Designation :- Assistant Professor

University :- Gujarat University

INFORMATION FOR PARTICIPANTS:

The participants shall be faculty members, research scholars & PG scholars of the AICTE-approved institutions and Industry Personnel. The FDP will be conducted in online mode. The certificates shall be issued to those participants who attend the programme with a minimum of 80% attendance and score a minimum of 70% marks in the test.

REGISTRATION DETAILS:

Interested candidates can fill the registration form using the following link on or before **September 15, 2026 (Till 5 Pm)**

Link:- <https://forms.gle/qLmj7HdadEyLg96ZA>

Registration fee: Nil
